

## Press Release

# BLAUPUNKT announces partnership with Hymon

Leudelange, Luxembourg (May 5<sup>th</sup>, 2021)

**Hymon, a 2021 Forbes Diamond winning company co-owned by Robert Lewandowski, has elected to partner with BLAUPUNKT to bring their state-of-the-art photovoltaic products to Poland.**

BLAUPUNKT branded Photovoltaic products will soon be available in Poland through a strategic partnership with the dynamic industry leader Hymon. The photovoltaic market is growing rapidly worldwide and GIP Development, the brand owners of BLAUPUNKT, recognized the importance of finding a partner that could develop a line of products that would meet and exceed the quality expectations that BLAUPUNKT consumer have come to expect of the brand. Hymon will utilize its 10 years of experience and expertise to manufacture and develop an exclusive line of photovoltaic products under the BLAUPUNKT Brand.

*"We are honored to have the opportunity for BLAUPUNKT to 'go green' with Hymon's innovative photovoltaic portfolio. The BLAUPUNKT brand is well known for being on the very cutting edge of technology and its superior quality. We are delighted to be a partner with Hymon as it is absolutely the next step to continue our renewable energy development and engineering tradition,"* says Andrzej Cebrat, Managing Director of GIP Development SARL the brand owner of BLAUPUNKT.

Hymon is a 2021 Forbes Diamond company co-owned by famous footballer Robert Lewandowski. They have understood the importance of innovative photovoltaic products for 10 years and have proven themselves to be at the forefront of quality and technology throughout their history. By 2020 10% of all photovoltaic customers in Poland were using Hymon making them the photovoltaic installed volume leader within the PV ranking according to the Renewable Energy institute. In 2020 Hymon was also heralded as being one of the top 10 companies in the acknowledged photovoltaic portal Enerad.

### About Hymon

Hymon: Made by people, powered by the sun.  
HYMON is a leading Polish company developing photovoltaic installations. They were awarded the Forbes Diamonds 2021 - an award for the most dynamically developing Polish companies. The company's potential and position were noticed by investors,

including one of the best footballers in the world - Robert Lewandowski. The company plans to expand, focusing on innovative solutions and is preparing to enter the stock exchange. It employs 100 of its own assembly teams and 5 subcontractors. Last year, in the ranking conducted by the Institute for Renewable Energy, Hymon took the first place in terms of the power of installed photovoltaic installations. By introducing innovative solutions, it cooperates with scientists from the Silesian University of Technology and the AGH University of Science and Technology. The company works not only for individual clients, but also carries out orders by taking part in local government tenders - as a result, in the last three years, they have installed over 4.5 thousand PV installations in municipalities and cities.

### About Blaupunkt

Blaupunkt is a German brand for consumer electronics, car multimedia, and related consumer lifestyle products. Founded in Berlin in 1924 as the "Ideal" company, Blaupunkt gained notoriety through the internal test label for headphones - the blue dot. The quality feature became a trademark, and in 1938 also the company name.

Today, the brand is being developed by GIP Development SARL as part of a licensing program launched in 2009. More than 40 licensees around the world distribute BLAUPUNKT products on all continents in more than 90 countries in the categories: Audio, Video, TV, Car Multimedia, Mobile Telephony, E-Mobility, Home Appliances, Security Systems, Cleaning Robots, Air Conditioning, E-Mobility and many more.
